Good Relationships / Bad Relationships

We worked with Mancunian Way on this film project as part of a University project. It was all about teenage relationships. We got to do our own research by asking students about good and bad things in teenage relationships. It was important because it teaches you about how you should be treated and how you should treat others. I think that people need to know if they are in a good or bad relationship and they also need to know if its normal what they are going through. It was funny to make and I found it entertaining, picking this as a topic was a smart idea because it was mine!!!

Goodbye!!

Mancunian Way have been working in your school for nearly 18 months and it is now time to say goodbye!

We have seen the school improve dramatically, behaviour has improved and pupils are definitely enjoying the opportunities on offer throughout the school.

It is time for us to move on, but we will continue to run the Friday evening youth club.

Mancunian Way

Amazing Weekend Away

During the summer holidays we were invited to the Lake District by the High Sheriff Police Trust, we had a great time. The whole place looked nice when I got there, this was the first time I went, the country air smelt horrible but got used to it.

I liked everything and enjoyed the whole weekend. We had an army man come and train us like soldiers, we had to crawl under nets and run very fast. We had to plan our own meals, cook them and clean up.

We also went canoeing which was fun, we have done that lots of times in Manchester.

The trip made me bond with the group and I was laughing most the time. My favourite part was finding a secret door!!

Birmingham Youth Conference

We were invited by Affinity Sutton Housing to Birmingham to their national Young Ambassadors Conference.

We had a creative day and got to do special spray painting, I enjoyed it because I got to express my creativity. I learnt that I could express how I feel and who I am through painting and I also learnt how to interact with other people.

We also had a karate lesson, designed t-shirts and enjoyed a BBQ lunch sat in the sun.

We played a video that some of the Gorton Young Ambassadors had made last year about actions and consequences, everyone loved it and clapped.

We all had a great day.

Katie Yr 9 *#NewExperience*

We all came home with this lovely medal and lots of other good stuff.

It was a long day but worth it, we met young people from all over the country.

Youth Club every Friday

Yrs 7 & 8: 4pm to 6pm

Yrs 9, 10 & 11: 6pm to 8pm

Museum Visit

During half term we went to the Museum of Science & Industry

Gorton Day Parade!

A great day for everyone!

Big thank you to Affinity Sutton Housing for funding the Gorton Young Ambassadors and sponsoring this Newsletter
